Leadership Mountain View Annual Campaign Update

Thanks to everyone that donated to the Annual Campaign. We were able to raise close to \$6,000.

The class that had the highest number of people donate was the Class of 2006.

The class that donated the most was the Class of 2005.

As part of the campaign, we raffled off dinner for 2 to Scratch Restaurant in downtown Mountain View to anyone who donated \$50 or more. Congrats to our winner, **Greg Fowler, Class of 2005!**

LMV Summer Mixer & Fundraiser at Savvy Cellar

It's patio time! Come and celebrate LMV's Director, Alicia Crank's, birthday at **Savvy Cellar** on Monday, July 25th from 5:30pm—8pm. For \$25, enjoy 2 glasses of wine (poured by experienced and knowledgeable sommeliers) along with appetizers on the sunny patio. This is a private event just for LMV alumni and friends. A special thanks to Jennifer Ayre, owner of Savvy Cellar, for opening their doors for us to have this special event (they are normally closed on Mondays). Leadership Mountain View Cultivates Corporate/ Community Partnerships

For the past 22 years, Leadership Mountain View has been fortunate to have the support of residents, community leaders, educators and non-profit organizations. Mountain View continues to grow in its number of residents, businesses and service opportunities. We saw this as a great opportunity to reach out to larger businesses and offer LMV as a vehicle for their employees to connect to the community.

In doing so, we created varying levels of corporate sponsorships that could fit their needs and help formalize the process. This has helped us solidify our relationships with **El Camino Hospital, Microsoft** and **Synopsys**, who are sponsoring our *Health & Human Services Day, Our Class Day and Business Day*, respectively.

We are happy to announce that another partner, **Google**, has made a \$10,000 commitment to the upcoming program year. This commitment includes hosting Diversity Day, sending three of their employees through the program as well as providing a scholarship for a community member to attend.

Dan Hoffman, who helped to spearhead this effort and is the Director of Real Estate and Workplace Services at Google, stated that “We're pleased to support Leadership Mountain View in their mission to develop and connect leaders in our community.”

Leadership Mountain View will continue to cultivate similar partnerships in the upcoming months. Any ideas or opportunities in this effort can be directed to Alicia Crank at alicia@chambermv.org
