

**Non-Profit Cart Application**

January 1, 2008

For the past 36 years, the community of Mountain View has gathered to celebrate their diversity in an arena of food, art, wine, music and FUN! This year, the 2008 Festival will be held on September 6th & 7th from 10 a.m. to 6 p.m. in downtown Mountain View. The Chamber is offering your restaurant/catering company an opportunity to publicize your business and celebrate with the community by applying as a Food Vendor.

At this year's Festival, each booth may serve a maximum of three foods. No more than two vendors will be allowed to sell the same food, so choice of food will be made on a first-in basis. No sodas, soda-like beverages, or water may be sold at the restaurant booths. Leadership Mountain View handles all soda & water concessions.

**REQUIREMENTS:**

All food vendors are required to use food booths provided by the event coordinator. All food vendors must comply with this Mountain View City Ordinance or they will be unable to participate in the Festival. The Chamber will handle arrangements for providing the booths. This does not apply to Food Cart Vendors.

All food vendors (including non-profit organizations) must have a Sellers Permit - applications are free and can be downloaded from [www.boe.ca.gov](http://www.boe.ca.gov). You can apply in person at your local Board of Equalization Office, and usually receive it the same day.

All food vendors are required to have their own liability insurance with \$1,000,000 limits (per occurrence/aggregate), naming the Chamber of Commerce Mountain View as additional insured for both basic liability and products and completed operations. Certificate of insurance must be included with the application.
